

Prequalification Circular No.01

From : Manager of Contracts Department
To : All Applicants
Total Pages : 02
Date : 27th August 2013
Ref. No. : 1A/13-14/S/727/0966/13

PROJECT : Prequalification for Post-Contract Professional Consultancy Services for Inner Doha Resewerage Implementation Strategy Programme (IDRIS)
PROJECT ID : IA 13/14 S 727 – 02 ST

Applicants are hereby informed of the following amendments, clarifications and elaboration to the Prequalification Document for the above referenced project:

#	Query	#	Response
1.	Please advise what kinds of registration certificates are required from the local and international companies?	1.	Refer to Page 6, Section 4.10 and 4.11, Eligible Applicants and Page 23, Section C, 2. Licenses and Registration of the Prequalification Document.
2.	In what disciplines is the registration required from local and international companies for this project?	2.	Refer response to Query #1.
3.	Page 23, Section C, 2. (b) Licenses and Registration. It is stated that the Applicants are required to meet "Qatari commercial registration requirements as a pre-condition to award of any contract." Could you please clarify what are the Qatari commercial registration requirements?	3.	Qatari commercial registration is the registration of your company with the Ministry of Business and Trade (MBT) of the State of Qatar. Refer to MBT's website for further reference (http://www.mbt.gov.qa/English/Businessmen/Pages/default.aspx).
4.	Could you please confirm that in case of association between consultants (JV) the minimum turnover for the JV is US \$30 million US dollars (US \$15 million for each	4.	Refer Page 15, Section II, Application Data Sheet (ADS), ITA 4.12 and Page 18, 2.3 Annual Turnover of the Prequalification Document. Each party of the Association must meet

Prequalification Circular No.01

	company)?		the minimum annual turnover requirements.
5.	Would Ashghal consider a conflict of interest to exist in the instance that an engineering consultant partnered with a successful Design/Build or Design/Build/Operate Contractor for one of the Implementation Packages were to also undertake the Post-Contract Services outlined in the above prequalification document	5.	Refer to Page 5, Section 4.6, Eligible Applicants of the Prequalification Document.

Please note that the Prequalification Circular addresses the request for information in the responses. Where more than one question is received on a similar topic, a single response will normally only be provided. This is to ensure clarity of response and minimize repetition of questions and answers.

All other conditions remain unchanged.

Any further queries shall be addressed to idriscontracts@ashghal.gov.qa on or before close of business **Monday, 16 September 2013**.

Yours faithfully,

Ghanem Rashid Al-Mansoori
 Manager of Contracts Department
