**Invitation to submit prequalification document (PQD)
For Pre-Contract Consultant Professional Services
For**

Integrated Industrial Wastewater Treatment Facilities

The Public Works Authority of the State of Qatar wish to pre-qualify Consultancy firms with great experience in the design and tender services associated with Industrial Wastewater treatment facilities in order to prepare a list of eligible firms for its invitation to submit their technical and financial proposal. The Consultant shall be appointed under the terms and conditions of the Professional Service Agreement (PSA) that to be provided to successful prequalified consultancy firms.

Project ID: IA 14/15 D 02 I

Project Ref.: Application to Prequalify for Civil Project C798

Project Name: Consultant Professional Services for Integrated Industrial Wastewater Treatment Works

BRIEF DESCRIPTION OF THE WORKS

There will be a rapidly increasing demand for Industrial Wastewater treatment facilities over the next few years due to unpredictable flow increases arising from national industrial area developments. The existing Industrial Area Sewage Treatment Work can be broadly categorized as a Municipal Wastewater Treatment plant that operates its main process predominantly via biological treatment. This means that the current plant is incapable of effectively treating hazardous and toxic wastewaters originating from industrial sources that contain high levels of non-biodegradable constituents. Therefore, PWA have identified the immediate need for providing a suitable facility to treat such industrial wastewaters containing very high levels of recalcitrant COD compounds, in order to improve its biodegradability to allow further biological treatment through existing process streams.

PRE-QUALIFICATION DOCUMENT

Consultant firms with successful experience in the pre-contract design services for the newly proposed integrated industrial wastewater treatment facilities are invited to prequalify for this project.

The prequalification documents can be obtained without charge by accessing the website:

www.ashghal.gov.qa

Interested Applicants shall visit the Public Works Authority website frequently during the submission period for further updates (if any).

SUBMISSION OF PRE-QUALIFICATION APPLICATION

Interested eligible firms should return the completed Pre-qualification documents to the following address not later than **1:00 pm (local Doha time, GMT +3:00)** on **Thursday 25th September 2014**. Two hard copies and two softcopies (CD-ROM) in PDF format of the Prequalification Application should be submitted to:
